Revised September 11, 2023

DISCLAIMER
DCNR is not responsible or accountable for non-DCNR administered trails or roads. Changes to this map may have occurred since printing. This map is intended to provide recreation locations and is not an official transportation map.

PERMIT RULES AND CONDITIONS:

1. An ATV Pilot Area Permit is required to operate on the ATV Regional Trail Connector Pilot Area. A copy of this permit, signed by the owner, shall be carried on the machine at all times.

2. The Pilot Regional ATV Connector Tag (decal) must be affixed in a visible area on the ATV designated on the permit and, if possible, should be protected from wear. Decals are not transferrable between machines.

3. The ATV Pilot Area Permit is valid for the riding season stated on the pass. ATV riding season is the Friday before Memorial Day through the last full weekend in September.

4. All ATV's operated on state forests and within the ATV Regional Trail Connector Pilot Area must have a valid PA registration or be legally registered in another reciprocal state (See DCNR website for full listing). PA Limited Registration is NOT permitted on state forests.

5. Liability insurance coverage is required for all ATV's operated on the ATV Regional Trail Connector Pilot Area. Proof of this coverage shall be carried on the machine at all times.

6. It is unlawful to operate an ATV in any area not affirmatively designated as an ATV Connector Route, a designated state and township road, or an ATV trail. Refer to the trail map, signs, and reassurance markers on the route. It is the operators' responsibility to know what routes, roads, and trails are designated for lawful ATV use.

7. Operators are responsible to know and obey all the laws and regulations pertaining to ATV operation in Pennsylvania. Go to www.dcnr.pa.gov for more information.

8. Operators must be at least 16 years of age and hold a valid driver's license to operate on the ATV Regional Trail Connector Pilot Area.

9. All operators and passengers must wear a DOT approved helmet while riding.

10. ATV's must have working headlights, taillights, and brake lights to operate on the ATV Regional Trail Connector Pilot Area. Headlights must be on during operation.

11. The speed limit on the ATV Connector Routes is 25 MPH unless otherwise posted.

12. Operation on the ATV Regional Trail Connector Pilot Area is during day light hours only, from sunrise to sunset.

13. ATV operators must follow all traffic control devices on ATV Connector Routes, Designated State and Township Roads, or ATV Trails.
